EXPERIENCE MATTERS

ELECTION DATE
MAY 29
EARLY VOTING
BEGINS MAY 14

I am the most qualified candidate in this race. I am the only candidate with extensive trial experience. I am the only candidate with extensive experience practicing family law. I am the only candidate with **22 years** representing and advocating for families in Williamson County courts.

For 22 years I have listened to mothers and fathers

...as they struggle with divorce,

...as they figure out how to run two households on the same money used for one,

...as they figure out how to divide their pensions, their property,

...and most importantly how to raise their children, together while living apart.

I know how the law must handle these critical matters. I am the only candidate who has practiced these skills on a daily basis **for 22 years**. We need an experienced family lawyer in this court.

I'm a parent. I've raised two children. I know the struggles of single parents

...parents of teens. The judge of this court should be a parent!

We NEED an experienced family lawyer in this bench.

These cases are more than numbers. They are people. Hurting people. Children. Folks that need YOUR help in putting an experienced family trial lawyer on this bench.

"Betsy's qualifications, family law knowledge and experience will serve her well as Judge of the 425th District Court (a family court). Please join me in supporting Betsy Lambeth for Judge of the 425th District Court on May 29th."
